Welridge Academy

From the day a child enters Welridge Academy, they embark on a path of discovery unlike that of any other school experiences. Along this unique path they learn to achieve their goals and through these experiences, they find a positive direction.

Our children are the future! We sincerely believe that it is our responsibility to equip our learners with learning and thinking skills to prepare them for their future. We believe that every child is valuable and has the potential to achieve. At our school we aim to give our learners a well-rounded education, not only in the classroom, but also by building their self confidence and self-esteem.

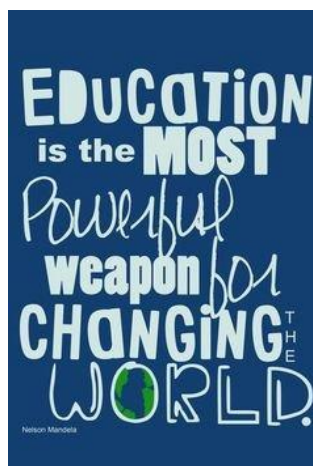

Welridge Academy is a family – that is what makes us so special! It takes a team of skilled and dedicated people to achieve success in any situation. We are fortunate to have such an effective and dedicated team of staff members at our school.

We all deserve the right to achieve our full potential, yet we know of many reasons that have kept us from accomplishing our full potential. A small change in the early learning experience of your child can make a big difference in later grades, and allow them to rise to completely new heights.

We focus on instilling a culture of learning in all our learners and aim to be a contributor to the transformation of education in South Africa, acting in the interest of our society, respecting equality of all children.

Our classes and child centred approach cater for every child's unique abilities and individual needs. We would like to equip all children with the necessary skills required to succeed in their educational career. We are looking forward to this great adventure!

“Quest for Excellence”

School Policy

Central to our policy is our nurturing environment, the belief that every child is valuable and the uniqueness of each individual is appreciated. We believe that the responsibility for a child's education comes directly from God to parents. Our school is a supplementary agency, commissioned to support but not replace home.

We focus on instilling a culture of learning in all our learners that not only ensures they will become valuable members of our future society, but will encourage them to become life-long learners. Our school is committed to provide education of the highest quality and we pledge a standard of excellence.

Our Curriculum

Producing the finest curriculum for children requires adherence to the highest standards. Welridge Academy allows parents, with the means to do so, an opportunity to provide an education of outstanding quality.

Welridge Academy allows for parents, with the means to do so, an opportunity to provide an education of outstanding quality.

Our school curriculum is implemented in the spirit of the South African curriculum statements. This approach provides exposure to all learners in the different learning areas; supporting their development, ensuring that all lessons are relevant to the needs of learners. Time is allocated fairly to the different learning areas. Learners are assessed on a continuous basis.

The uniqueness of each individual is appreciated and through inspired and innovative teaching, every learner is encouraged to reach his or her goals, develop talents and actively take part in our unique educational process.

It is our policy to encourage close teacher-learner interaction to emphasize on individual attention, socially and academically.

We are focused on catering to the needs of all our learners and ensuring that they have the tools to enable them to reach their true potential. Our gifted learners receive extra attention through academic enrichment programmes.

Our curriculum aims to create a lifelong learner. A learner who is confident, independent, creative, innovative, literate, numerate and multi-skilled.

Parental Involvement and Parent Meetings

The quality of your child's education is greatly supported and enhanced through your active involvement at school. Progress reports and your child's Learner Portfolio will be given to you at Parent Evenings.

Communication

The InterSen Phase educators will send communication via email.

The principal and educators are always willing to meet with you should you have any queries or should you wish to discuss your child's progress. However, it is necessary to arrange an appointment. We need updated email address of both parents and guardians. We send out both accounts and communication in this way.

School Communicator

The School Communicator keeps you up-to-date with what's happening at the school. It updates automatically, and brings you all the latest news and calendar events. In addition, it contains a photo gallery, contact list and a range of useful links and documents. All homework is made available via the School Communicator. The communicator can be downloaded via the links below – select "Welridge" from the drop down list.

Photographs

Photographs taken during school events may be added to the School Communicator, Welridge Facebook Page, Welridge website etc. as a form of keeping parents updated as to what is happening during school events.

Should your child participate in an extra mural activity outside of school and win any prizes, please send in the photographs so that we can post these on our Website and Facebook pages.

Consistency in Attendance

As with punctuality, this is a very important aspect of building confidence and security into your child. In the case of absence, we would appreciate a note or telephone call giving us the reason for absence.

Emergency Information

It is necessary that you notify the school immediately whenever there is a change in address and contact details. We cannot be held responsible for misinformation if we are not notified of changes. Please notify the front office on (011) 476-5216 or via email info@welridge.co.za

Notification of Illness / Injury

When a child appears to be ill and is considered unfit to complete the school day, parents will be notified and expected to collect their child immediately. Immediate collection is very important for your child's health and comfort. There is also the danger of a sick child infecting other children. A child who has a contagious disease must stay at home until they have recuperated.

Accidents

Accidents can happen. However, we do our utmost to ensure that your child is cared for in an environment which is free from obvious and potential hazards. We maintain good safety standards indoors and outdoors and a safety check of all areas and equipment is carried out. Constant supervision is vital so as to ensure that our learners do not get hurt. Should an accident happen, an incident report must be completed by the teacher on duty, even when it's a minor injury (abrasions and grazes, bite wounds etc.) Parents will be notified a telephone call or on arrival in the afternoon. First Aid treatment is vital and our staff are all trained as to what to do in an emergency.

Fund Raising

Finances are a major concern for most schools. Because of our commitment to keep our fees as affordable as possible and yet meet the needs of our school, additional funds are required. We would like to encourage parents to become involved in our fund raising projects. Your help and support in this area would be greatly appreciated and it is vital in maintaining our school's high standards.

Alternatively written notice of termination must be hand delivered to Welridge Academy for attention of "The Principal". Notice of termination may not result in the last day of attendance being in the month of November.

Parents who fall into arrears will automatically be handed over to our attorneys and your child will be suspended from school until such time as fees are up to date. Learners whose fees are not up to date will not receive their progress reports, nor will they receive transfer cards if they are moving on to other schools.

Supervised Homework

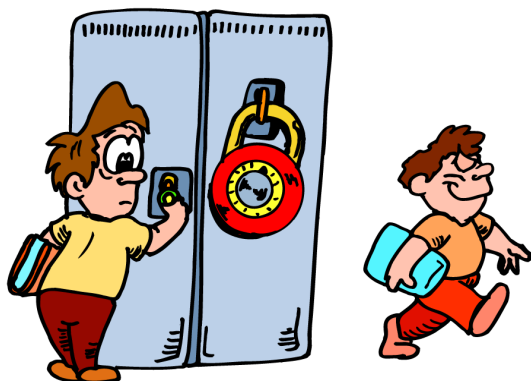

Learners attending Aftercare have the opportunity of completing homework in an environment conducive to concentrated study, assisted by qualified educators.

A cooked, lunch-time meal is also provided. The onus is on the parent to ensure that all homework is completed.

Personal Belongings

Parents must please provide a big enough school bag for their child for their belongings to fit in. We appeal to you and would appreciate it if you would mark all items with your child's full name. This includes juice bottles, cups, shoes, clothing, hats, lunch boxes etc. We cannot take responsibility for any articles going missing or for the breakage of such articles.

Grade 4 – 7 learners have lockers at school for the safekeeping of their belongings, particularly their tablets. Each learner is to bring a number lock for their locker and the combination is recorded on our database.

Meeting your Child's Needs

It is important for the school to be made aware of any "out of the ordinary" occurrences in your child's life (e.g. death of a relative, pregnancy, pending move, trauma etc.) so that we are able to support your child accordingly.

Medication

Medication must be clearly marked and handed in at the front office and the medicine register must be completed, with the quantities as well as the time the medicine is to be dispensed. It is the responsibility of the parents/guardians to notify the register teacher if your child requires medicine. You can also send an email to info@welridge.co.za to inform the school of any medication your child may need. **No medicine** whatsoever (including natural remedies) may be left in a child's possession.

Toys

No toys may be brought from home to school. It causes a great deal of unhappiness amongst the children, resulting in fighting. Any toys brought from home will be confiscated and we cannot take responsibility for any toys going missing or for the breakage thereof. We welcome items for "Show-and-Tell", which relates to the theme of the week and carries educational value and will be requested by the teacher. Any electronic device (except for the tablets) are considered toys and will be confiscated.

School Photographs

Individual school photos as well as class photos are taken annually in the second term. You will be notified in advance as to the dates the photographs will be taken.

Should your child participate in an extra mural activity outside of school and win any prizes, please send in the photographs so that we can post these on our Website and Facebook pages.

School Lunch

We do not allow the learners to have any sugar or preservatives during the school day. Please ensure that your child gets a healthy packed lunch each day. The learners are allowed to buy sweets from the tuck shop during second break on Fridays.

After Care

Grade 4 to 7: 13h50 to 18h00

Our lessons start at 07h40 and we would appreciate it if your child could be at school no later than 07h30.

Our After Care Centre closes at 18h00.

If you are delayed, please contact the duty teacher to inform them of your delay. However, a fine of R100-00 for every 15 minutes, or part thereof will be imposed, should you collect your child after 18h00.

It is very unfair on the staff to remain at school after closing time. During the winter period it gets dark early and most of our staff members have family responsibilities. Small children become very frightened when they are collected late and they are the only ones left at school.

We appreciate your cooperation with regards to this matter.
